We dedicate this yearbook to DENNIS B. SLOAN for his outstanding contributions as Chairman of the Business Division.

Sloan

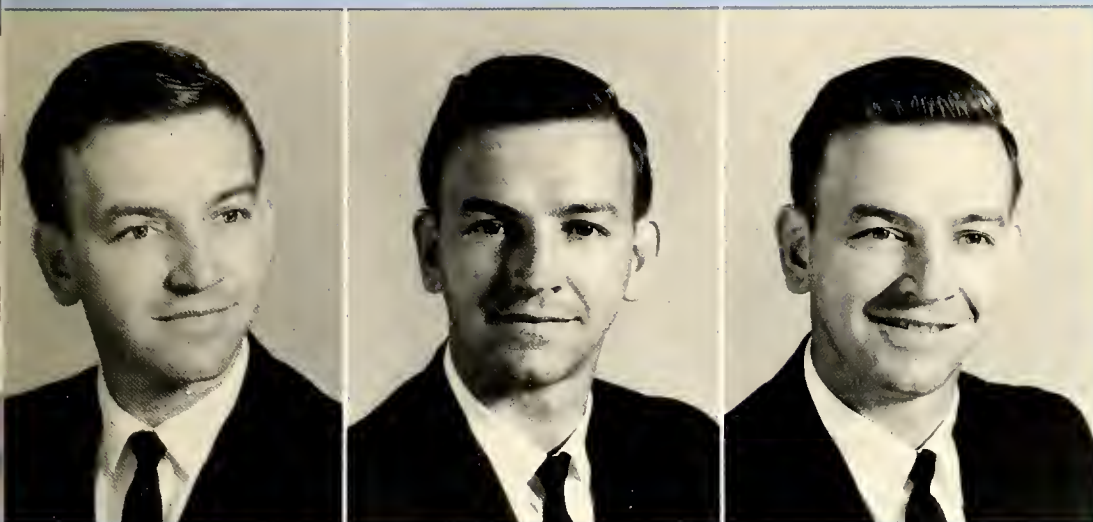

Mr. Dennis Sloan came to Mitchell in 1963 as an accounting instructor. When the school became a state supported Community College in 1973, Dr. Poindexter named Mr. Sloan Division Chairman of the Business Department. Mr. Sloan is a native of Statesville, and son of the late Mr. and Mrs. R.N. Sloan. He attended Central High School and graduated in 1950. He then entered the U.S. Navy where he served for four years.

After finishing his enlistment in the Navy, Mr. Sloan attended Lenoir Rhyne college where he received his A.B. degree in Business Education. Also, he received his M.A. degree from Appalachian State University.

Dennis Sloan married Laverne Goodwin, also a Statesville native. They have two sons, Steven 23, and Phillip 16. Mrs. Sloan has been employed at the Mitchell College library since the fall of 1968. The Sloans attend Wesley Memorial United Methodist Church.

Mr. Sloan enjoys all sports; he played baseball in high school and was also on the Navy team while in service. Also, Mr. Sloan was involved in helping with plans for the new Vocational building which was opened for classes in February of this year.

Since then the club has sponsored many activities and participated in a number of events. Activities include: a bake sale, a sale of Mitchell goods such as: Mitchell sweatshirts, car stickers and windbreakers. In December, the club members had a Christmas dinner at Fat Boy's Restaurant where members of the business faculty were honored. Also: a sale of key-chains bearing the Mitchell emblem, installation of the club and its new officers, a book-a-rama, a disco for students on campus, and a car wash. In March of this year some of the members of Phi Beta Lambda went to the State Leadership Conference in Charlotte where they participated in business education events such as, Executive Typist, Economics, and Business Communications. Representatives from Mitchell placed 3rd in the Business Communications event. Other activities for the club included: acting as guides at the open house of the new Vocational building, acting as host for the business faculty and advisors meeting, and presenting a \$200 scholarship to Mitchell for a deserving student. During May week, Phi Beta Lambda served refreshments on the circle for the student body. They also had a picnic for club members and their families. Zeta Alpha Theta chapter of Phi Beta Lambda is responsible for making this year's annual possible.

This is
MITCHELL . . .

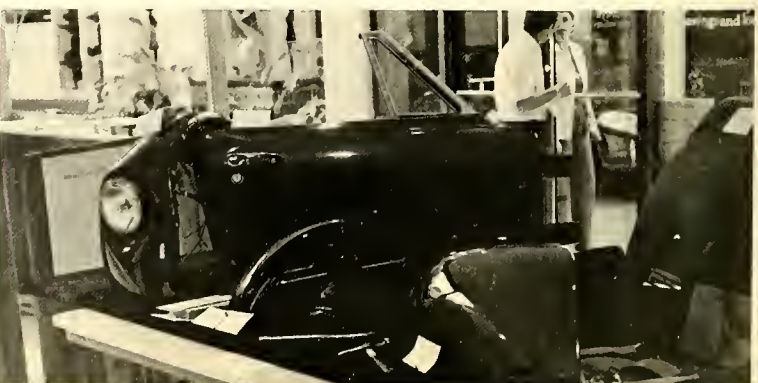

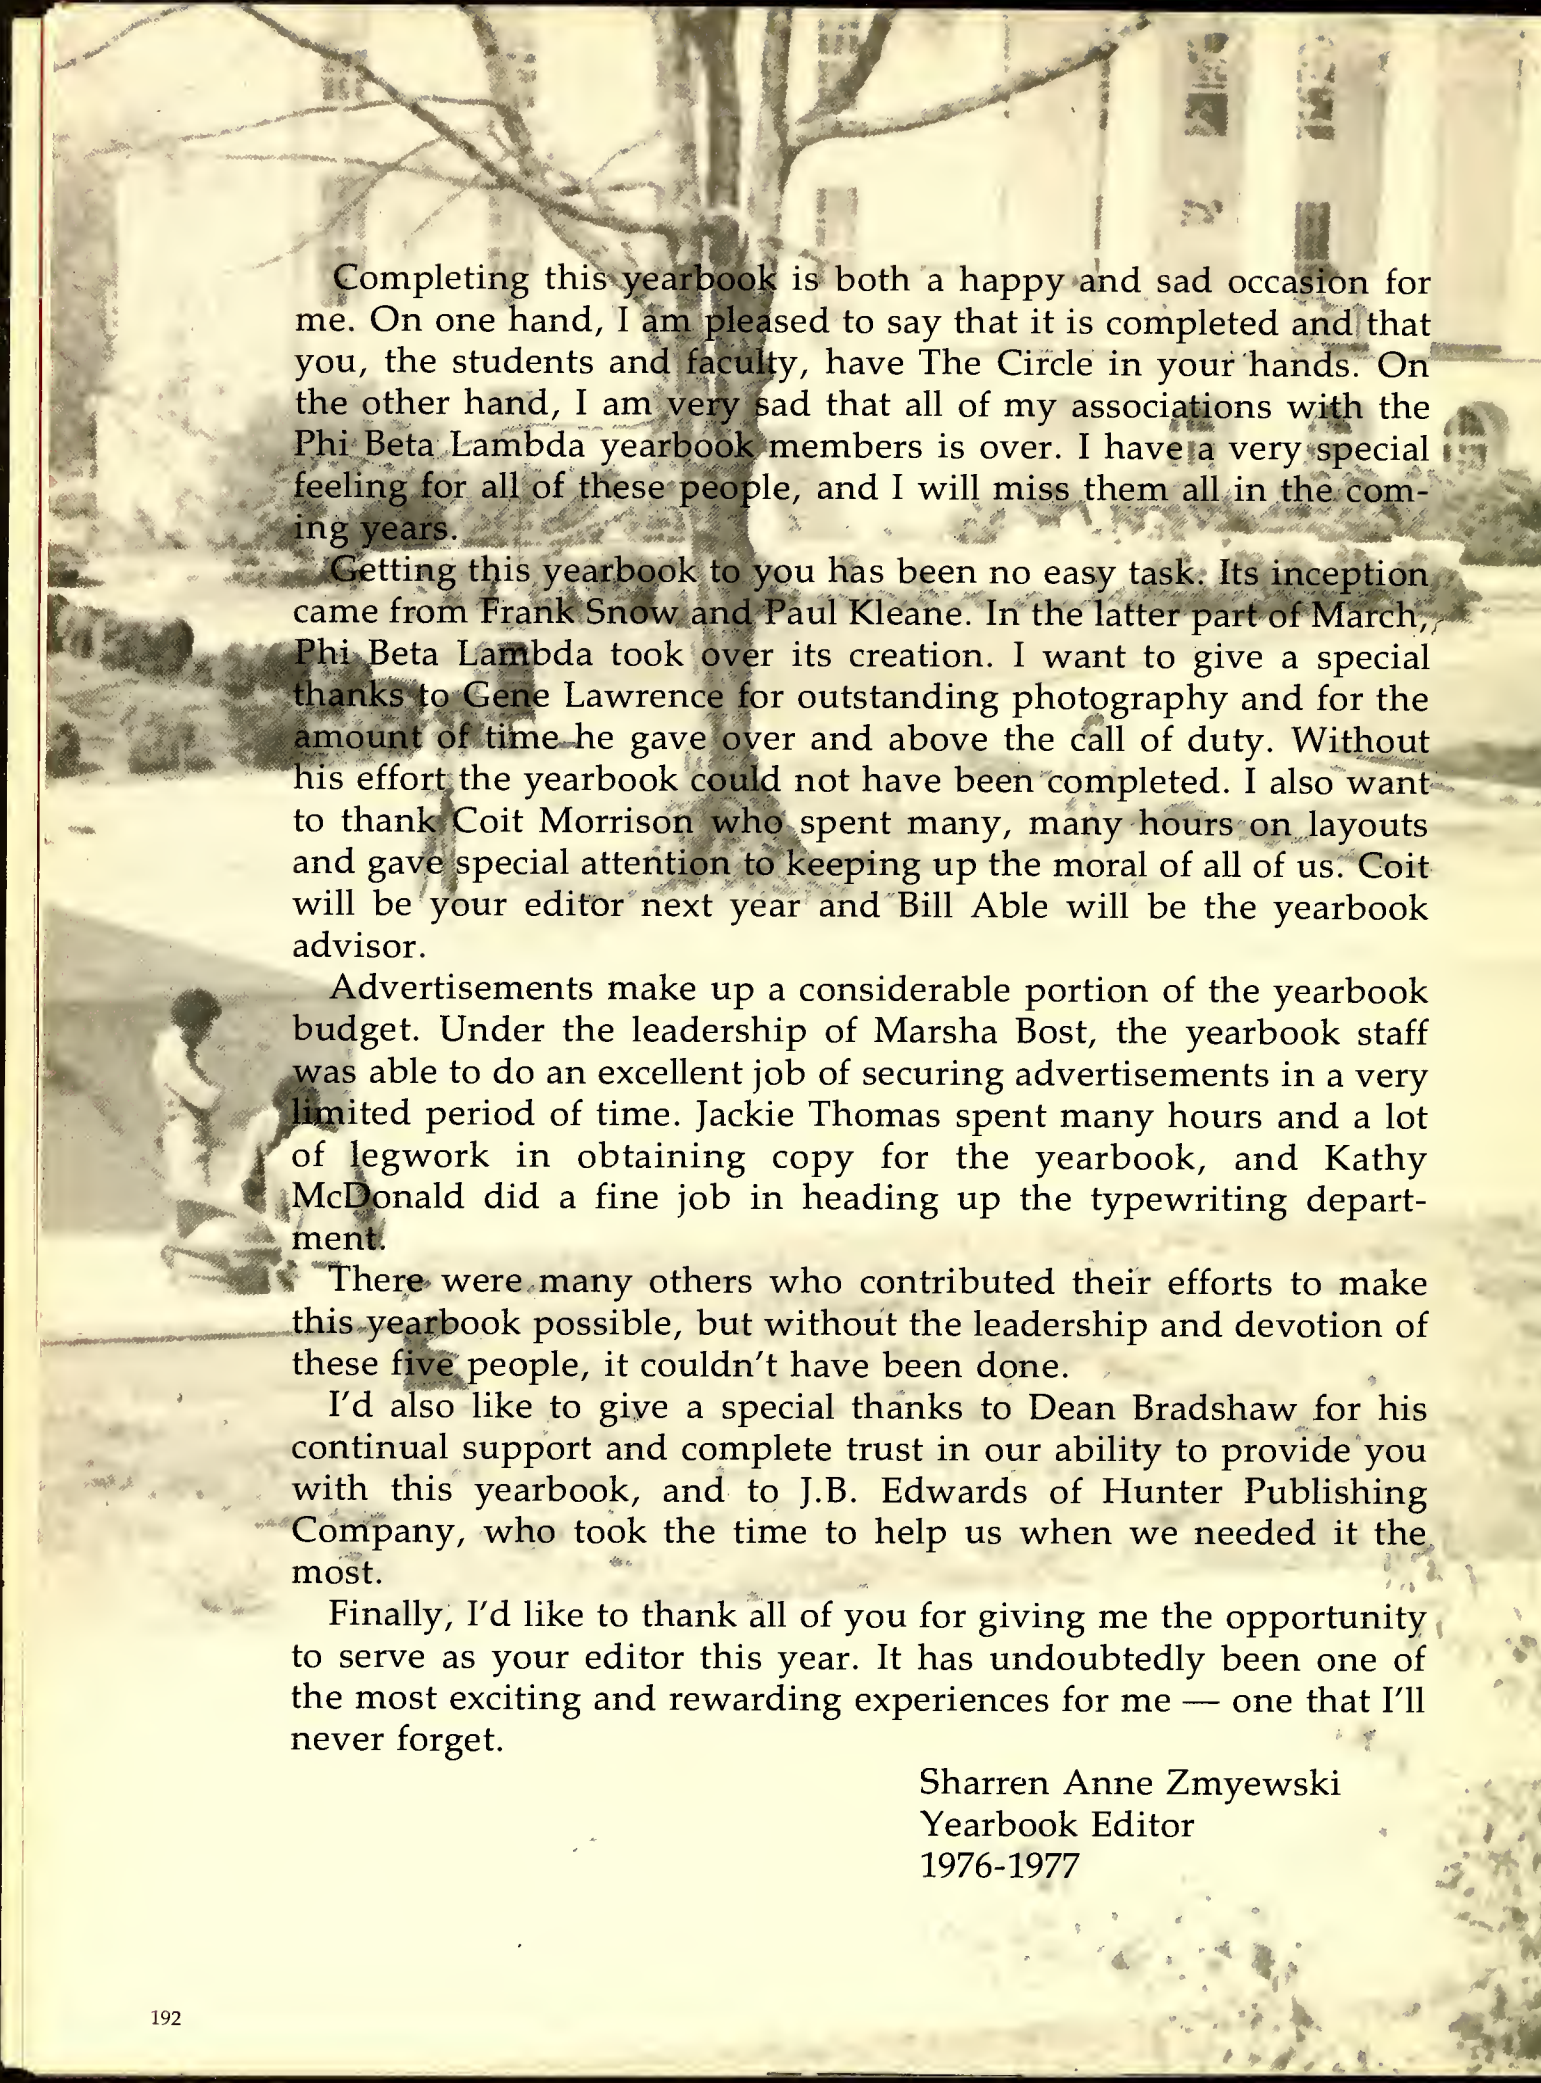

Completing this yearbook is both a happy and sad occasion for me. On one hand, I am pleased to say that it is completed and that you, the students and faculty, have The Circle in your hands. On the other hand, I am very sad that all of my associations with the Phi Beta Lambda yearbook members is over. I have a very special feeling for all of these people, and I will miss them all in the coming years.

Getting this yearbook to you has been no easy task. Its inception came from Frank Snow and Paul Kleane. In the latter part of March, Phi Beta Lambda took over its creation. I want to give a special thanks to Gene Lawrence for outstanding photography and for the amount of time he gave over and above the call of duty. Without his effort the yearbook could not have been completed. I also want to thank Coit Morrison who spent many, many hours on layouts and gave special attention to keeping up the moral of all of us. Coit will be your editor next year and Bill Able will be the yearbook advisor.

Advertisements make up a considerable portion of the yearbook budget. Under the leadership of Marsha Bost, the yearbook staff was able to do an excellent job of securing advertisements in a very limited period of time. Jackie Thomas spent many hours and a lot of legwork in obtaining copy for the yearbook, and Kathy McDonald did a fine job in heading up the typewriting department.

There were many others who contributed their efforts to make this yearbook possible, but without the leadership and devotion of these five people, it couldn't have been done.

I'd also like to give a special thanks to Dean Bradshaw for his continual support and complete trust in our ability to provide you with this yearbook, and to J.B. Edwards of Hunter Publishing Company, who took the time to help us when we needed it the most.

Finally, I'd like to thank all of you for giving me the opportunity to serve as your editor this year. It has undoubtedly been one of the most exciting and rewarding experiences for me — one that I'll never forget.
